

# A Christmas Prayer

*To be used whenever you want over the next 10 days.  
Use it once, twice, or every single day to remind  
yourself what we truly wait for.*

*\*Light the candle*

**As we wait for Christmas Day  
we remember the first season of waiting.**

**The people of Israel waited  
for Your promises to come true,  
promises of a Saviour,  
a gentle Justice-Seeker,  
and humble King.**

**They needed You to put the world right  
again.**

**Your promises came true when You  
became human and came to live among us  
Your name was Jesus  
which means  
“God saves”.**

**CELEBRATE  
CHRISTMAS  
WITH US »**

**You are our Saviour,  
who saves us from sin and death.**

**You are the gentle Justice-Seeker,  
who will not crush the weakest  
reed or put out a flickering candle  
but will bring justice to those  
who have been wronged.**

**You are the King  
who humbled Yourself even  
to death on a cross.**

**Because of who You are,  
You have been raised up  
and given a name above all other names.**

**And we wait for the day  
when at the name of Jesus  
every knee will bow  
and every tongue declare  
that You,  
Jesus Christ,  
are Lord.**

**Amen.**

*\*Blow out the candle.*
