

Advent Blessing: *“While we wait...”*

We live in time when there are many “voices” who promise relief and rescue when instead they bring disappointment, disillusionment and destruction.

Yet we know the one true king has promised to come for us.

Believe that Jesus, who was born for you, suffered, died, and rose again for you. Trust that one true king is with us always, and that we will see him face to face.

While we wait...

May your eyes be opened to the coming king who has called you

Lord, we receive your hope.

May you walk in the gratitude of his provision and protection

Lord, lead us to your joy.

May your heart be strengthened by the Lord’s never-failing love

Lord, guide us in your love.

May your mind be stilled through the presence of the redeemer

Lord, we welcome your peace

The King of kings and the Lord of Lords has come and is coming again.

Wait in the hope, joy, love, and peace.

May the Father, Son, and Holy Spirit,

Bless you now and forever. ***Amen.***
